

# COMMUNITY SERVICE AGENCIES

Organized by Program for Ethics & Care Ecologies

**"UNDOING RACISM IN HEALTHCARE: WHAT DO WE DO WHEN OUR CLIENTS HATE"**

**Priscilla Ankamah, Nurse Case Manager, Hamilton Mental Health Outreach**

**February 12, 2021 | 2:00 - 3:00 pm**

**RACISM: IGNORE IT...  
AND IT WON'T GO AWAY.**

Despite evidence of discrimination against minority healthcare providers, racism remains a difficult topic to discuss in healthcare. Therefore, the focus of this webinar is to have a conversation about racism in healthcare settings involving its users against minority healthcare providers. To take into account that racism is apparent yet unspeakable and to outline interventions that inform and enable constructive discussions about this open secret in medicine and reduce the damage of racism in our interactions with users.
