

ETHICS & RESILIENCE GRAND ROUNDS

Organized by PEaCE (Program for Ethics and Care Ecologies)

Beyond the Body: A Holistic Approach to Harm in Healthcare

Sun Drews, MHSc – Ethics Fellow – Hamilton Health Sciences
Patient Relations Advisor – University Health Network

May 27, 2025 | 12:00 - 1:00 pm

Emotional, spiritual, and dignity-based harms can significantly affect a patient's well-being, even in the absence of physical injury. Recognizing and responding to these forms of non-physical harm presents unique challenges for healthcare professionals. In this presentation, we will explore:

- What constitutes non-physical harm in healthcare settings
- The ethical implications of emotional, spiritual, and dignity-related harm
- Real-world case examples illustrating the impact of non-physical harm on patients, families, and communities
- Strategies for identifying and addressing non-physical harm in clinical practice
- Practical approaches to reducing the occurrence and impact of non-physical harm within your own healthcare environment
