

The grey method: Ethics and palliative care

Winifred Badaiki, MD, MHE, Clinical and Organizational Ethicist
Hamilton Health Sciences

May 22, 2026 | 12:00 - 1:00 pm

This presentation explores ethical challenges that arise in palliative care and examines how healthcare clinicians can navigate complex ethical and moral considerations in the delivery of palliative care. The main objectives of this presentation are to:

- Explore what is the role of ethics in palliative care.
- Recognize salient ethical issues surrounding palliative care and how clinicians can address them.
- Explore how to approach situations where there is significant ethical uncertainty.
